### 1. OBJECTIVE

**bePrivilege** Program is based on guests attaining exclusive advantages when registering for the program and making bookings on [www.privilegehotels.com](http://www.privilegehotels.com) and/or with our Call Centre when identifying oneself as a **bePrivilege** guest.

### 2. BENEFICIARIES

The beneficiaries of the **bePrivilege** program (hereinafter "the member") are of-age individuals (identified by their personal data) registered on the **bePrivilege** Program via the [www.privilegehotels.com](http://www.privilegehotels.com) or from our Reservations Department.

To benefit from the exclusive advantages, the person making the bookings must be the member, who will first need to log into the **bePrivilege** section of the website.

Bookings made by persons other than the member will not be accumulated in the member's **bePrivilege** account.

The **bePrivilege** guest, as the primary person on the booking and guest during the corresponding stay, is the only person who may benefit from the exclusive advantages of the program and to whom all communications will be addressed. In a multiple-room booking, the benefits will apply only and exclusively to the room the member is staying in, not applying to the other rooms included in the booking.

Invoices shall be paid with the credit card used in the booking process. If a booking is not pre-paid, payment will be requested from the guest upon arrival at the hotel.

### 3. THE ACCOUNT

Each guest participating in the **bePrivilege** program, can access a private area within [www.privilegehotels.com](http://www.privilegehotels.com) where the corresponding booking transactions made at [www.privilegehotels.com](http://www.privilegehotels.com) and via the Call Centre in the last 6 years are stored:

- a) The account shall remain permanently active, as long as the guest does not decide to unsubscribe from the program.
- b) The guest may, at any time, request and obtain voluntary cancellation within the personalised area.
- c) Booking movements generated by a guest may not be transferred to the account of another guest.
- d) No change of members is allowed.

### 4. TRANSACTIONS

Bookings are credited to the **bePrivilege** account once the guest has registered for the program.

For the purposes of calculating the **bePrivilege** level and applying the benefits, only bookings made by the **bePrivilege** account member in [www.privilegehotels.com](http://www.privilegehotels.com) and/or the Call Center will be accumulated automatically, after logging in or identifying or in **bePrivilege**, after enjoying the corresponding stay (day after check-out) in a period of 24 months and as of July 06<sup>th</sup> 2016 (all bookings prior to this date will not be counted to calculate the level).

If a booking has been generated without previous login or identification in **bePrivilege**, the **bePrivilege** benefits will not be applied during the stay and will not be automatically taken into account in the Program account for calculating the level.

If making with the Member's account two or more bookings with the same date, only one booking will be considered in the Program's stay counter.
