

Robert & Shannon
July 12th 2014

To your entire staff;

One of the most important events for any family is the marriage of their children. As one of only a handful of seminal events in our lifetime it leaves a lasting impression and all going well the most special of memories. In the case of my daughter Shannon and her husband Robert you provided for, organized and delivered exactly what was wanted in a beautiful setting that was punctuated by a modern, comfortable and well-appointed luxury resort. The entire staff was friendly, courteous, accommodating and attended to all the details of the wedding without exception. Special thanks go to Elba Machado who was the liaison before our arrival and throughout our stay, she clearly is a professional in this area and both anticipated and provided everything we could imagine for such a special event.

Nuestro agradecimiento mas sincere,

Val & Chuck
(and all 25 in our wedding party)
